

## Ingersoll Rand advances the quality of life by creating comfortable, sustainable and efficient environments.

Ingersoll Rand (NYSE:IR) advances the quality of life by creating comfortable, sustainable and efficient environments. Our people and our family of brands—including Club Car®, Ingersoll Rand®, Thermo King® and Trane®—work together to enhance the quality and comfort of air in homes and buildings; transport and protect food and perishables; and increase industrial productivity and efficiency. We are a \$13 billion global business committed to a world of sustainable progress and enduring results.

### Advancing The Quality Of Life

At Ingersoll Rand, we are committed to meeting the world's growing critical need for clean and comfortable air, safe and fresh food, energy efficiency, and sustainable business practices. We are passionate about building a better future – a world of sustainable progress and enduring results.

To deliver on the needs of our customers, the needs of communities where we operate and to achieve premier performance, *we will:*

#### Build a Winning Culture.

Build a winning culture by living our values, creating a progressive, diverse and inclusive environment, enabling innovation and creativity, and the development of customer solutions that engage all employees in Ingersoll Rand's mission.

#### Grow Strategically.

Grow strategically through technology and innovation, sales excellence and product management by delivering sustainable solutions and services addressing unmet needs for comfort and efficiency across the globe.

#### Deploy Operational Excellence.

Deploy operational excellence to add value as defined by our customers through a relentless emphasis on continuous improvement.

### Our Brands

Ingersoll Rand is composed of a diverse array of business and market-leading brands serving customers in global commercial, industrial and residential markets.

#### Club Car®

[clubcar.com](http://clubcar.com)

- » Golf, utility and transportation vehicles recognized as industry leaders in efficiency and long-lasting value.
- » The Club Car product portfolio includes golf cars, a mobile golf information system, turf and commercial utility vehicles, multi-passenger shuttle vehicles, rough-terrain utility vehicles, and street-legal, low-speed vehicles.

#### IR Ingersoll Rand.

[ingersollrandproducts.com](http://ingersollrandproducts.com)

- » Innovative products, services and solutions that enhance operational efficiency, save energy and improve productivity.
- » Ingersoll Rand industrial products range from complete compressed air and gas systems and services, to power tools, ARO pumps and material handling systems.

#### THERMO KING

[thermoking.com](http://thermoking.com)

- » Enhances quality of life through temperature management in global transportation.
- » Thermo King manufactures transport temperature control systems for a variety of mobile applications, including trailers, truck bodies, buses, shipboard containers and railway cars.

#### TRANE®

[trane.com](http://trane.com)

- » Ensures home owners and commercial building owners maximize the potential of their home or facility.
- » Trane safely and efficiently optimizes indoor environments with a broad portfolio of heating, ventilation and air conditioning systems, building and energy services, parts support and advanced building automation controls.
