Ingersoll Rand to strengthen its focus on Security Technologies **~Appoints Arun Dogra to head Security Technologies business~**

New Delhi, August 6, 2012: – Ingersoll Rand (NYSE: IR), the \$14.0 billion globally diversified industrial technology company has announced the appointment of **Arun Dogra as Vice-President and Business Head, Security Technologies in India.** In his current role, Arun will be responsible for growing the Security Technologies business in India for Ingersoll Rand and drive business excellence and enhanced customer experience.

Commenting on the appointment, **Venkatesh Valluri, Chairman and President, Ingersoll Rand India** said, *“Security Technologies is a key business for Ingersoll Rand. As the Indian security industry continues to mature, we are aggressively focusing on this sector to provide innovative, customer-centric and cost effective technologies to customers. Ingersoll Rand is uniquely positioned to cater to the security needs of both home and commercial segments in the country. With Arun’s leadership, we are confident that we will drive profitable growth in this sector.”*

Arun brings with him close to 25 years of diversified experience in Business Management, Sales, Marketing and Support, Electronics Manufacturing and Quality, R&D, Business consulting, among others. Prior to Ingersoll Rand, Arun worked with Agilent Technologies India as their Country Head and Vice President- Sales, Marketing & Support.

Arun holds a Bachelor degree in Electronics & Communication, and Masters in Business Administration.
