

Thermo King India Pvt. Ltd. (an Ingersoll Rand Group Company) Appoints T V Sundram Iyengar & Sons Ltd. as Partner for Distribution of Ingersoll Rand Climate Control Products

-Appointment to Strengthen Ingersoll Rand's Climate Control Product and Service Offering in India-

New Delhi, July 20, 2010: Thermo King India Private Limited, a 100% subsidiary of Ingersoll Rand Plc, the \$13.0 billion globally diversified company, has appointed T V Sundram Iyengar & Sons Limited (TVS & Sons Ltd), one of India's largest automotive distribution and servicing companies as a partner for its climate control products under its Thermo King brand.

Thermo King is a world leader in transport climate control systems for a variety of mobile applications, such as trucks, trailers, buses, railway coaches and marine containers. As per the distributor agreement, TVS will be responsible for distributing and servicing over 20 current models of Thermo King products such as bus air-conditioning units, truck refrigeration units, trailer refrigeration units and their spare parts. TVS will actively promote and service Thermo King through 15 strategically located outlets in the states of Tamil Nadu, Kerala, Madhya Pradesh and Uttar Pradesh.

Speaking on the occasion, **Atanu Maity, Business Head, Transport and Retail, Thermo King India** said, "Thermo King is a world leader in Transport Air Conditioning and Refrigeration technologies and solutions which serve passenger comfort as well as the supply chain infrastructure for food and perishable goods transportation. India is an important growth market for Ingersoll Rand and the appointment of TVS as our partner is another major step towards augmenting our sales and service enhancement strategy. The presence of TVS service network across the key states in India will allow customers to experience better engagement and improved servicing. Comfort travel using air conditioning and refrigerated transport to avoid food losses is becoming imperative for the Indian market. This relationship allows us both to expand and create new markets in the domain of supply chain infrastructure and comfortable commuter transportation."

News Release

Speaking on the occasion, **Mr. N. Krishnamoorthy, President, TVS & Sons** said, “We are happy to be associated with Ingersoll Rand for distribution & service of their products. TVS' strength is its reach and customer focus. We have been looking at more ways by which we can serve our customers better. This tie up will help us further strengthen our offering and relationship to and with our customers.”
